<http://pierreot-fr.net/timbres01.php3>
<http://members.tripod.com/~hanigro/radiofil/rarmenia.html>
- *In Austin at Texas History Museum, performance of Border Radio, Out on the Porch, Nov 2, Dec 7, Jan 4. (KXAN-TV report has expired]

- *Strange new topic from Habana, essays invited on: What are three sexual rights that should be respected by a society: prize; trip to Cuba for the 16th World Congress on Sexology, next March
- *Reporters without Borders evaluates press freedom, ranking Costa Rica above USA; see: http://www.rsf.org/article.php3?id_article=4116
- *HCJB's new English schedule, includes timeshifts for DX Partyline, and Ham Radio Today resumes as half hour on UT Sundays
- *Radiodifusion America, Paraguay, weak even in Argentina, but reported one night on 7737.2, another on 9983
- *R. Mundial, Brazil, heard on 6650 = 2 x 3325
- *Brazil's shift to summertime, from November 3 affects eastern coastal states to UT minus 2; so three more zones remain to the west, UT -5, -4 and -3
- *Antarctic 2-way frequencies should be warming up now in spring: 4123, 4718, 4770, 5726, 6835, 7995, 8867, 9032, 10639, 11256, 11553, 13251
- *The media magazine you monitor with your mind, World of Radio 1154
- *Thanks this week for financial support go to Tom McLaughlin, in memory of Gigi Lytle
- *Medi-Un, Morocco, moved from 9575 to 9595 briefly, back to 9575; beamed ESE
- *Radio UNMEE, via Abu Dhabi to Eritrea and Ethiopia, new schedule
- *Coups attempt in Central African Republic: radio station goes to music only; believed inactive already on SW 5035-5038
- *R. Okapi, Congo DR, tentatively heard on 9550
- *A number of 100 kW SW transmitters installed in South Africa, but never used; now five of them bought by AWR, most being installed in Guam at KSDA to replace older transmitters
- *SIBC, Solomon Islands, missing from 5020 from October 17; may have been what was heard around 5004 for a while; from October 29, back on 5019.95
- *Station X in Queensland, <http://www.stationx.com.au> claims to have allocation for 2368.5 kHz, 1 kW; Bob Padula denies any such license and Department of Defence is nearby
- *BBCWS major North American relay frequencies in evenings have made winter change to 0100-0400 9525 Okeechobee, 0400-0600 6135 Delano
- *France DRM test on 25775 has sent QSL to Scott Barbour, Jr
- *Deutsche Welle still hasn't moved out of asbestos-contaminated building in Cologne to a newer building in Bonn, which has also been damaged; maybe next year?
- *R. Polonia new schedule shows drastic reduction on SW; only two hours in English on two frequencies, more via satellite; expires Dec 31, let's hope then starting external relays
- *R. Romania International designates Nov. 3 as Day of the Listener, at least in Portuguese; listener writings on conditions of life on the planet to be broadcast
- *R. Bulgaria plans to convert to world news format like CNN in

German; English too? Staff objects

- *R. Yugoslavia's winter schedule in English
- *Prime Time Shortwave provided that; see website in different formats for English schedules: <http://www.triwest.net/~dsampson/shortwave>
- *It's All Greek to Me, in English retimed to Sundays 1900 on 17705
- *R. Europe, Italy, specials for Japan Nov 1-2-3-4 on 7306-USB
- *Dates for Ramadan this year are Nov. 7 to Dec. 5 to 7, depending on New Moon [not from November 11 as I misspoke!!]
- *R. Jordan back on 11690 in English; RTTY on high side can be avoided by tuning to LSB only
- *Rumen Pankov's presumed locations for Kurdish clandestine SW frequencies; see DXLD 2-164; some from ex-USSR, China, Iraq, Northern Iraq
- *Iranian clandestine via Norway 7490 at 1730-1815 is R. International, formerly via Moldova
- *R. Pakistan's new English schedule, includes some in 1700-1900 Urdu to Europe on 11895, 9290
- *Vietnam's English via Sackville, Austria relays
- *Propagation outlook from Boulder, Oct. 29: flux range 155-180-160
- *And that concludes another edition of World of Radio, number 1154; I'm Glenn Hauser and I hope you'll join me again next week ###
